

LV130

Ultra-compact portable LED projector

- **LED technology - great for movies, gaming and PC-free presentations**
- **HDMI and built-in speaker**
- **Integrated rechargeable battery**
- **Compact and lightweight - only 0.4kg**

Designed for use on the go, the petite LV130 LED projector is easily transportable between your home and office and weighs in at just 0.4kg.

Its integrated rechargeable battery provides up to 4.5 hours of cable-free projection time on a single charge – perfect for movies on the go or impromptu meetings. For ultimate convenience it also has a built-in speaker and comes with a carry bag.
